"9 Times MORE ABSORPTION than Pills..."
- PDR (The Physician's Desk Reference)

"Research shows that 'chewing' will allow 9 times MORE ABSORPTION of nutrients than if you swallow pills!"

Did you know that PILLS and other supplements may be coated or have binders and may NEVER dissolve. Check out the x-ray below. If you look closely, you will see the actual pills undissolved in the colon.

These are called "bedpan bullets" because they may pass right through your system without any absorption whatsoever. In fact, sometimes you are still able to read the name on the pill.

RESEARCH:

IBC Labs tested 17 brand-name vitamins. After 2-hours, NONE OF THE PILLS were dissolved; some not even after 12 hours! By comparison, **C4HI chewable tablets broke down in just seconds!**

- **Tablet, capsule – 10%-20% is absorbed**
- **C4HI chewable tablet – 95% is absorbed**

Currently, there are three products to choose from:

If you are taking nutritional supplements it is important to know how they are produced. Are the ingredients tested before blending? Do the ingredients match the label? Has proper testing been completed to insure purity and safety?

temperate, climate-controlled warehouses. Customers are guaranteed harvest-fresh ingredients and potency because of C4HI's unique on-site processing and exclusive low temperature air jet drying system.

IGNITE Chewable Energy Testimonials

A RECENT GALLUP POLL ASKED:

"What is the most common affliction affecting your life?"

Eight out of ten people who were polled answered, "A LACK OF ENERGY!"

"Being TIRED at the wheel causes 100,000 car accidents per year."

- National Highway Safety Administration

"51% of all college students use energy enhancers to stay awake and alert."

- The Journal of Nutrition

"Energy drinks typically contain 80 to 141 mg of caffeine per 8 ounces, the equivalent of five ounces of coffee or two 12-ounce cans of caffeinated soft drink such as Mountain Dew, Coca Cola, Pepsi Cola or Dr. Pepper."

- Pronsky ZM: Food Medication Interactions. 10th edition

"Sleepless nights and hectic days chasing the kids around the house have made energy and stimulant drinks an attractive proposition for many of Britain's bleery-eyed parents. Indeed, almost half (44%) of British parents believe that these drinks are a good pick me up, compared to just three in ten (31%) of those adults without children at home. Although the majority of people are prepared to pay a premium for these drinks, price still presents the greatest barrier to British consumers, with a quarter (25%) of the population believing that they are too expensive."

- Mintel

Now you need to formulate a sleep aid to counteract Ignite!"

For years I have had a hard time making it through dinner time and always dragged the rest of the night till bedtime. NO MORE!!" ~ Robin McDaniel

Time To "Show Me The Money!"

Chews-4-Health International Has Paid Out MILLIONS In Commissions Due To Their Unique Compensation! Discover How To Get Your Piece Of The Pie!

Six Streams of Income

Chews-4-Health International gives you the opportunity to generate up to six streams of income!

1. Retail Profit
2. Two-Infinity Binary Bonus
3. Matching Bonus
4. Fast Start Bonus
5. Rank Advancement Bonus
6. Car Bonus Program

1. RETAIL: Generate profits by selling your products at retail price to YOUR customers. With the purchase of any Start Pack, and as long as you remain active, you are qualified to purchase product at low wholesale prices and earn income by reselling them at retail price...up to 50% per box! And this doesn't even include the very lucrative residual income you earn from the other income streams!

2. TWO-INFINITY BINARY BONUS: "Two-Infinity" is a very unique and simple business compensation model that allows you to accumulate volume, not only from your efforts, but from the efforts of those on your two teams...which can go to infinity! You earn money from those BELOW YOU; not just on your weak leg...but on BOTH LEGS! **Chews-4-Health International has already paid out MILLIONS of DOLLARS with this Compensation Plan!**

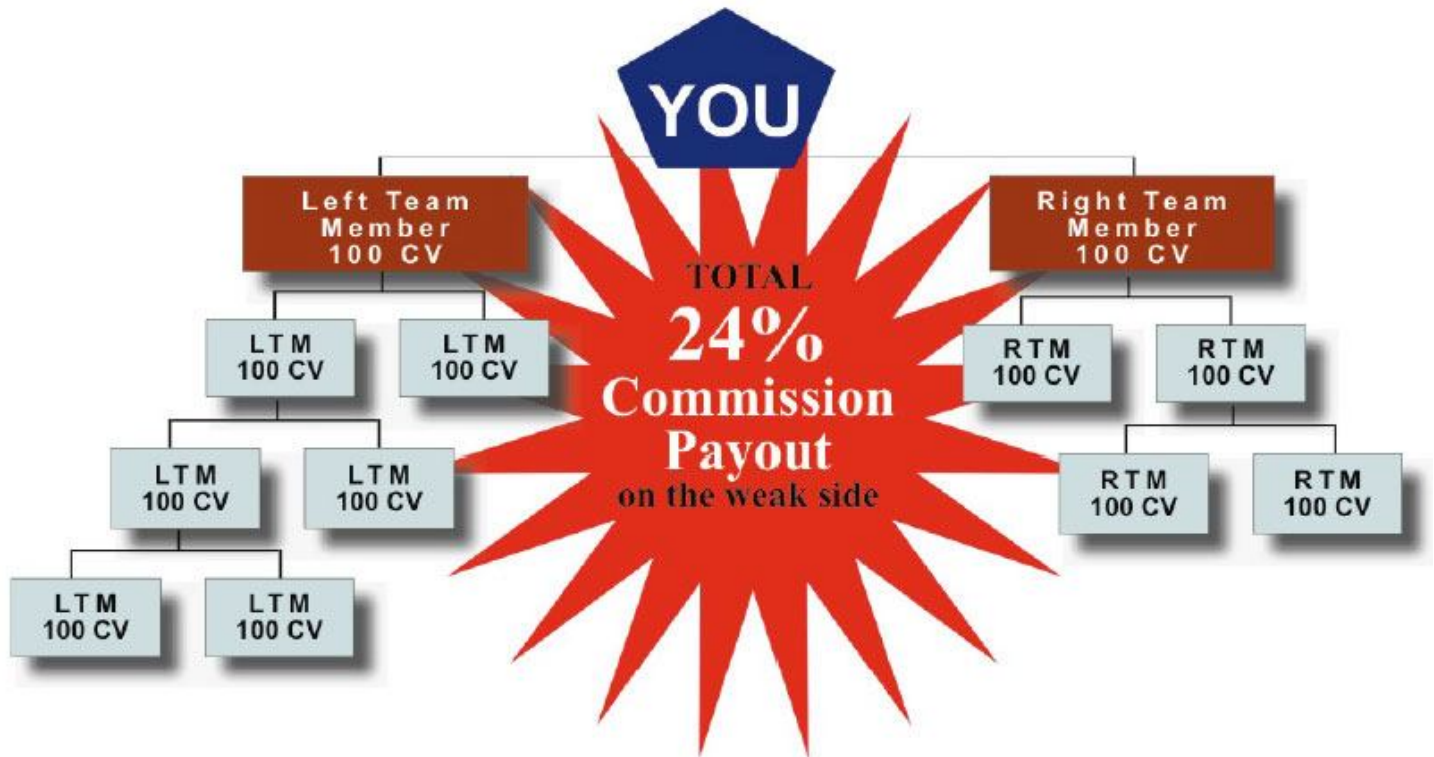

QUALIFIED TEAM MEMBER: Simply become a Qualified Team Member and you are instantly eligible for commissions, all you need to do is enroll two new Team Members (one on each "leg"), who purchase one of our Starter Packs. These two Team Members mark the beginning of your "Two" to "Infinity" organization. Once you become a Team Member and as long as one personally enrolled Team Member from your "Left Team" and "Right Team" maintains just 20 monthly Chews Volume (CV) (equal to about \$39 in product order) each month you remain commission qualified. It's that SIMPLE!

CHEWS VOLUME (CV): Chews Volume (CV) is an accumulation of sales volume generated from your "Two-Infinity" organization and determines the amount of commissions you earn. As a Qualified Team Member you have the opportunity to earn between 4% and 12%, depending on what level of the Autoship program you choose.

"TWO-INFINITY" BINARY BONUS

You can earn from 4% to 12% commissions on both your strong and weak teams, depending on the PV of your monthly Autoship and the number of Personal Enrollees you sponsor (as depicted on following page). And, as long as you remain Active, volume will not flush from your strong side! And when you earn \$25,000 per week, you receive a position above, which allows you to earn an additional \$25,000 per week and get UNLIMITED INCOME. Simply become an Active Qualified Team Member (QTM) and you are instantly eligible for commissions. As long as you are Active, and have one personally enrolled Active Team Member on each team, you remain commission qualified.

As you can see from the example above, you have 7 QTM's (at 100 CV each) on your "left" team, (totaling 700 CV on your left team) and 5 QTM's (at 100 CV each) on your "right" team (totaling 500 CV on your right team). Since your "right" team represents the "weaker" of the two teams (with the least CV), the total (weak team) 500 CV is calculated, then "matched" to the SAME amount of 500 CV on your strong team. You will always get a MINIMUM of 4% - 12% on your total "weak" team CV. However, the matching CV on your "strong" team will depend on you meeting certain requirements, and will start at 1% all the way up to 12%. In the above example, you're earning an equal 12% on both your weak and strong team. So $500 \text{ CV (left)} + 500 \text{ CV (right)} = 1,000 \text{ CV} \times 12\% = \120 , which represents your earnings in the above example. And if you are thinking it's the same as earning 24% on your total weak team volume, you're right! Now if you're wondering what happened to the leftover 200 CV from your "strong" team (that originally had 700 CV total, in which you were paid on 500 CV)? The remaining 200 CV balance is "Banked" and will be calculated during the next weekly pay period.

Two-Infinity Binary Income Example

“How You Could Potentially Earn Up To **\$1 MILLION Annually** By Your 2nd Year!”

The following income example assumes **ALL** of the following:

1. You enrolled 10 QTM's (not shown in chart), but only 2 of them are actively building and each enrolled 2 QTM's, and so on, creating a “doubling” effect infinite Generations deep.
2. You, and every QTM within your entire organization, are on 100 PV monthly autoship (purchase is \$129 - \$150 per month and carries an 85 - 100 CV).
3. You, and every QTM within your entire organization, keeps the default “weak” team binary setting on. (Holding tank feature requires advanced strategies you can review later.)
4. The size of your entire organization and Team CV – DOUBLES once per month and both teams build as evenly as possible. (Remember, you're earning 12% per team or 24% of weak team!)

Month	Your Generation	QTM's	Combined CV From QTM's 100 PV Orders (85 CV Example)	Your Monthly Earnings Est. (x 12%)	Your Combined Monthly Earnings Est.
1	1	2	\$170	\$20.40	\$20.40
2	2	4	\$340	\$40.80	\$61.20
3	3	8	\$680	\$81.60	\$142.80*
4	4	16	\$1,360	\$163.20	\$306.00
5	5	32	\$2,720	\$326.40	\$632.40
6	6	64	\$5,440	\$652.80	\$1,285.20
7	7	128	\$10,880	\$1,305.60	\$2,590.80
8	8	256	\$21,760	\$2,611.20	\$5,202.00
9	9	512	\$43,520	\$5,222.40	\$10,424.40
10	10	1,024	\$87,040	\$10,444.80	\$20,869.20
11	11	2,048	\$174,080	\$20,889.60	\$41,758.80
12	12	4,096	\$348,160	\$41,779.20	\$83,538.00
Infinity	Infinity	Infinity	To Infinity!	To Infinity!	To Infinity!

Even with a **10%** success rate, it would mean a residual income of **\$100,000+** yearly!

CONSIDER THIS: **1)** You only personally referred 10 QTM's @ 100 PV A/S each **2)** Only 2 of 10 of your personal QTM's started duplicating down 12 Generations; **3)** The example stopped at the 12th Generation, but in theory, can keep doubling forever; **4)** This income example DOES NOT include the income from the 6% & 12% matching bonuses, etc!

*Generation #3 represents “break-even” point for autoship with just 14 QTM's in your entire group.

12% MATCHING BONUS INCOME EXAMPLE

"Money isn't the most important thing in life, but it's reasonably close to oxygen on the "gotta have it" scale. ~ Zig Ziglar

This part of the compensation plan is very self-explanatory. Basically, other than your top two "directly enrolled" income producers (which you'll earn a **6%** Matching Bonus on), you will earn a **12%** Matching Bonus on every other QTM that you directly enrolled! This could mean potentially hundreds or thousands of dollars in additional income to you!

Check out some of the income examples below to understand the power of this incredibly lucrative component of the Chews-4-Health International compensation plan!

The MORE QTM's You Enroll, The MORE You Can EARN!

3 QTM's Each Earning	\$200	x 12%	=	\$72 Per Week
9 QTM's Each Earning	\$700	x 12%	=	\$864 Per Week
15 QTM's Each Earning	\$900	x 12%	=	\$2,160 Per Week
27 QTM's Each Earning	\$1,000	x 12%	=	\$3,240 Per Week
55 QTM's Each Earning	\$500	x 12%	=	\$3,300 Per Week
86 QTM's Each Earning	\$400	x 12%	=	\$4,128 Per Week
115 QTM's Each Earning	\$300	x 12%	=	\$4,140 Per Week

Remember, these Bonuses are **NOT PAID ONE-TIME**, but are **PAID EVERY WEEK** on your personal QTM's' Team Bonus Payouts. And remember, you can get paid via **Direct Deposit** or **Debit Card**, your choice! This is why you want to personally enroll as many QTM's as possible to take FULL ADVANTAGE of the **12%** Matching Bonus! There is NO LIMIT to how many QTM's you can personally enroll. Whether it's 1 or 1,000, you will match on ALL of them, except your top two income producers, in which you are paid **6%** on their Team Bonus Payouts!

6% MATCHING BONUS INCOME EXAMPLE

“How You Could Potentially Earn Up To **\$491,400 Monthly** In Matching Bonuses!”

The following income example assumes **ALL** of the following:

1. You enrolled 10 QTM's (not shown in chart), but only 3 of them earned income, in which the top two producers created the “doubling” effect, infinite Generations deep.
2. Every QTM within your entire organization, personally enrolled just 3 QTM's each and are all qualified to earn 6% matching bonuses on the top two producers, to infinity.
3. You, and every QTM within your entire organization, are on 100 PV monthly autoship.
4. Each of the top two producers per Generation are earning a minimum of \$1,000 per month.
5. The size of your entire organization and Team CV – DOUBLES once per month.

Month	Your Generation	QTM's Match	Combined Earnings From Top Two Producers (Total Monthly)	Your Monthly Earnings (x 6%)	Your Combined Monthly Earnings
1	1	2	\$2,000	\$120	\$120
2	2	4	\$4,000	\$240	\$360
3	3	8	\$8,000	\$480	\$840
4	4	16	\$16,000	\$960	\$1,800
5	5	32	\$32,000	\$1,920	\$3,720
6	6	64	\$64,000	\$3,840	\$7,560
7	7	128	\$128,000	\$7,680	\$15,240
8	8	256	\$256,000	\$15,360	\$30,600
9	9	512	\$512,000	\$30,720	\$61,320
10	10	1,024	\$1,024,000	\$61,440	\$122,760
11	11	2,048	\$2,048,000	\$122,880	\$245,640
12	12	4,096	\$4,096,000	\$245,760	\$491,400
Infinity	Infinity	Infinity	To Infinity!	To Infinity!	To Infinity!

The income potential on the 6% infinity matching bonuses is insane! But consider that:

1) You only personally referred 3 QTM's; **2)** Each of those 3 did the same, down 12 Generations; **3)** Your top two earners only made \$1,000 per month each; **4)** The example stopped at the 12th month, although it can, in theory, keep doubling forever; **5)** This income example DOES NOT include the income from the 12% match on all personally referred QTM's payouts after your top two earners!

What if you only achieved 10% of this potential? Would \$49,140 per year be a blessing?

"FAST START BONUS" CHART

Fast Start Bonuses (Like Infinity-Two and Matching Bonuses) Paid WEEKLY!

4. FAST START BONUS: EARN IMMEDIATE INCOME when you become an Active Team Member with Chews-4-Health International's Fast Start Bonus! In other words, enroll new team members this week; earn a commission the following week! And the Fast Start Bonus pays up to 3 Mentor Generations, utilizing "compression" on the 2nd and 3rd generations.

Fast Start Bonus (FSB) Payouts	You have 20-99 PV in a 30 day period Your FSB	You have 100+ PV in a 30 day period Your FSB
Business Builder Pack		
Mentor	\$60	\$120
1st Upline Mentor	\$30	\$60
2nd Upline Mentor	\$10	\$20

2nd Upline Mentor	\$5	\$10
Economy Pack		
Mentor	\$10	\$20
1st Upline Mentor	\$5	\$10
2nd Upline Mentor	\$3	\$6

As you can see, starting with a **Business Builder Pack (BBP)** and a **100 PV** Autoship is the most lucrative way to start, as everyone other Active Team Member that you enroll, that does the same, earns you **\$120** on Generation 1 sales; **\$60** on Generation 2 sales; **\$20** on Generation 3 sales.

NEW TEAM MEMBERS: Enroll in Autoship when registering as a Chews-4-Health International Team Member and you automatically qualify for Fast Start Bonuses for your first 30 days (or for the first 60 days if enrolling into the "Chews90 System," which will reveal further over next few pages).

RANK ADVANCEMENT BONUS

Receive Up To An Additional **\$16,000 CASH** In One-Time Bonuses!

5: RANK ADVANCEMENT BONUS (ONE-TIME CASH BONUS): Recognizing YOUR success is a big part of Chews-4-Health International. The Rank Advancement Bonus gives C4HI the opportunity to recognize their Team Members' accomplishments. Each time you advance in rank, you receive a One-Time Cash Bonus (totaling over \$16,000), a Special Rank Advancement Pin, an Advancement Certificate, Recognition at a Chews-4-Health International Annual Event and more!

Rank Achievement Bonus Qualifications	Bonus Earned
Team Member Purchases a Starter Pack and is on any monthly Autoship	N/A
Qualified Team Member Is on at least 20 PV Autoship and has one personally mentored active Team Member on each team	N/A
Team Director 10 personally mentored Team Members on 100+ CV Autoship, 2 of which are Qualified Team Members	\$250.00
Team Executive 5 Team Directors (personally mentored)	\$1,000.00
Team President 2 Team Directors and 5 Team Executives (personally mentored)	\$5,000.00
Team Ambassador 5 Team Presidents (personally mentored)	\$10,000.00

Now an extra \$16,000 may not seem like much, compared to all of the other income that can be achieved through the previous parts of the compensation plan; **but hey, who's going to turn down an additional \$16,000 in one-time cash earnings for the work they did anyway?** Think of this Bonus as the "icing on the cake" that you will earn over time. And it's nice to know that this Bonus has been included in the compensation plan, as it's not typical.

NOTE: To qualify for a Rank Advancement Bonus, you must be on and have purchased at least 100 PV Autoship for at least two full months prior to promotion.

CAR BONUS PROGRAM

Let Chews-4-Health International Cover Your Car Payments!

6. CAR BONUS PROGRAM (PAID WEEKLY): To qualify for a Car Bonus, you must be on at least 100 PV Autoship for at least two full months prior to your promotion and car bonus. (Similar to Rank Advancement Program.) Only people on at least 100 CV in the last 30 days in your organization count as qualification toward your monthly Car Bonus.* Once a rank is obtained, commissions are run on the following Tuesday and will be able to be viewed in the back office under "My Earnings."

Rank Title	Monthly Car Bonus
Team Executive	\$250.00/Mo.
Team President	\$500.00/Mo.
Team Ambassador	\$750.00/Mo.

Imagine doing very "little" work via the 30-second commute (from your bedroom to your desktop), achieving the rank of "Team Executive" (which is not that difficult to achieve), and qualifying for the first of three Car Bonuses, ranging from \$250 per month to \$750 per month! Would it be worth it to know that your finance or lease payments would be covered by your earnings in the Car Bonus Program? By the time you qualify, you can be earning a nice residual income!

*Dependent upon meeting the qualifications each month.

The "Chews90 System"

How To Turn \$60 Into A Potentially **Six-Figure** Monthly Income!

"There is no security on this earth; there is only opportunity."
~ Douglas MacArthur

Ready To Start Living The GOOD LIFE?

Now that we've gone over EVERYTHING that Chews-4-Health International has to offer, it is time to move on to the REAL REASON you have requested this report... **the "CHEWS90 SYSTEM!"**

"When Was The Last Time You Joined A Business That Paid You 200% Per Sale?"

Sounds unbelievable doesn't it? But it's 100% TRUE! That's right, every time a \$60 sale is made through the Chews90 System, the direct referrer makes \$120 - \$168; their referrer makes \$60 - \$108; and their referrer makes \$20 - \$68! Yes, every \$60 sale results in \$248 being paid out! That's the equivalent of **318%** being paid out on every sale! Now before you say **"How can they pay out more than they take it?"** let us explain how this is ALL possible...and more importantly...LEGAL!

You see, if you have been in the home-based business industry long enough, chances are, as you're building your business, you'll come across a few prospects that may say something like...

"If your opportunity is so good, why don't you pay my way in at the highest level, and I'll pay you back from the commissions I earn?"

Well, if you have ever experienced that kind of objection and/or rejection, then you know that, especially in this present U.S. economy, home-based businesses that require \$200, \$500, even \$1,000 or more to get started are going to be a hard sell for many getting started in the industry. **This is where the Chews90 System can DOMINATE the home-based business industry!**

\$60 Startup = Little Money In!

Look At What Your Small \$60 Startup Includes!

Just \$60 out-of-pocket!

And YOU Receive **\$700** in

Product & Marketing Materials!

So what exactly IS the Chews90 System?

Simply put, the Chews90 System is another option for someone to join C4HI at the \$399 "Business Builder's Pack" level. This includes \$700 in Product, Marketing Materials & Marketing Websites for just \$60 out-of-pocket. The balance of the \$399 is then paid over a 90-day period, allowing the Team Member the ability to pay for their starter package out of future commissions (both retail and team building). What makes this program so unique is the commissions paid on this \$60 out-of-pocket. Commissions are paid to the enrollee and their upline, even though the balance is not collected for 90 days. Because these commissions are based on the \$399 Business Builder Package (which you received for \$60 out-of-pocket,) this brings you weekly Fast Start Bonuses, Commissionable Volume (CV) at 24% and Matching Bonuses. This Chews90 System allows people to start their business the right way with plenty of product, marketing materials and marketing websites and receive commissions when building their team. There is nothing like Chews90 System in the industry! This one of a kind system enables Chews-4-Health International to pay BIG MONEY out... *with little money in.*
